About the CAOEC

As one of the most influential trade associations in Canada, CAOEC represents energy service contractors operating close to the wellhead from coast to coast to coast. The CAOEC is a trusted source for all things drilling and well servicing, and provides a targeted audience and exceptional value to advertisers through our Rig Directory.

CAOEC members are key oilfield service sector decision makers. Let us help you build relationships by effectively delivering your company's message to an exclusive audience.

Advertising with the CAOEC is a great way to get your company noticed while supporting your industry and Association at the same time! From field employees to senior management and executives, to post-secondary trade students, to government officials, the CAOEC reaches people who are invested in the oil and gas sector.

YOUR TARGET AUDIENCE

With over 300 member companies, and in one of the country's most important industries, the CAOEC's audience consists of:

- Drilling Contractors
- Directional Drilling Contractors

Rig Directory

RIG DIRECTORY AD RATES

Published once a year and delivered to all CAOEC members, the Rig Inventory and Directory lists CAOEC members by division. Purchase an advertisement spot, or enhance your company's listing with a logo placement.

CAOEC's Rig Inventory & Directory is considered by those in the industry as the "must have" reference guide for drilling and well servicing, and sits on the desktops of operators who use it throughout the year. Member information is listed in categories, and an index to advertisers is located at the back of the publication.

ONLINE MEMBER DIRECTORY

Published annually and free-of-charge to all CAOEC members and the public, the Rig Inventory & Directory lists CAOEC members by division and includes important fleet information such as rig type, depth capacity, and drawworks.
