

2025 Sponsorship Opportunities

The Canadian Association of Energy Contractors (CAOEC) is the unified voice of the energy services sector, advocating for its interests through active engagement with both the public and government.

Our annual events bring together Association members, industry leaders, and high-profile speakers for networking and important discussions around what's happening in our industry.

By becoming an event sponsor, you are amplifying our efforts in shaping public policy, and contributing to a thriving and sustainable industry for all Canadians.

Sponsorship also offers your organization the opportunity to:

- demonstrate commitment and leadership in the industry;
- reach an audience of senior executives in the drilling and service sectors; and
- increase visibility and brand awareness.

Enclosed you will find information on the benefits and pricing for the sponsorship packages available for each event, along with a submission form.
